

Pizza orders placed are for the WHOLE YEAR (a total of 7 pizza days)

Please note the deadline to order for Pizza is the **TUESDAY BEFORE** pizza day to allow our Pizza team volunteers enough time to :

- tally every child's individual orders
- compile lists by class
- order pizzas (Pizza Pizza needs several days to prep for our 160 pizzas!)
- print individual order cards and order sheets for every student!

Orders are for Pizza slices only, so please have your child bring their own water bottle, and send your child with veggies, fruit or snacks to go with their pizza!

- **Kindergarten** students will have Pizza brought to their classrooms
 - **Grade 1-3** students will be given a pizza order card from their teachers and will go to the Cafeteria at their usual lunchtime to collect and eat their pizza
 - **Grade 4-5** students will be given a pizza order card from their teachers and will go to the Cafeteria at their usual lunchtime to collect and eat their pizza

Thank you for supporting our quick, easy and secure online Pizza Lunch process!

Every month, we depend on our amazing parent volunteers to make Pizza Lunch possible!
For Kindergarten students, pizza is served in the classrooms, so we need at least 1 parent volunteer per class to pick up pizza from the central HUB, serve the pizza and tidy up after.

Grade 1-8 volunteers are needed to pick up pizza, set up rooms and serve students in the Cafeteria & the Junior Gym!

You don't need to volunteer for every month, but if you can help out for even one date!

**For more details about how it all works,
times and dates we need help, or to sign up**
